

**SUBMITTAL: CROWLINE FIRE-FX2™ CABINETS - STAINLESS STEEL PAGE 1 OF 2**

Fire-Rated Crowline Cabinets Provide A Wide Selection of Door Styles, Glazing and Sizes. These Durable Cabinets are Designed to Industry Standards for Fire Department Valves, Fire Hose Rack Units and Extinguishers.

**Door & Trim:** #4 Brushed finish stainless steel. 1-3/4" Trim on face and door. These flush cabinet doors are mounted in a 5/8" door stop, are attached by a continuous hinge and are equipped with zinc-plated handle and roller catch for all non-locking doors.

**Trim Style and Depth:** 1-3/4" face trim on frame and 1-1/4" trim on door. *Recessed* - 3/8" flat trim. *Semi-recessed* - 1-1/4" Square Edge or 2-1/2" Rolled Edge. See separate submittal for trimless models.

**Tub:** The tub is constructed of cold rolled steel with white powder-coat finish standard. Tub forms a flange to cover cut edges of wallboard material. Fire-resistant material is attached to the exterior of the tub.

**Please note that dimensions for wall opening have changed in 2015. See Chart on pg 2.**

**Knockouts:** Knockouts are not provided on Fire-Rated Cabinets. Instructions for Knockouts in the field are provided, and must be strictly adhered to, to maintain fire rating.

**Special Features:** Models 8035, 8036, 8037 & 8039 have a shelf 12" from the bottom of the cabinet and are designed to hold a fire extinguisher plus FD valve or other accessory. Those models can also be ordered without shelf to allow for lower mounting height of valve piping to meet NFPA10.

Fire-Rating: Fire-FX2™ cabinets are fabricated in accordance with the UL label for one and two hour combustibile and non-combustibile wall system building codes. The fire testing has met the requirement of ANSI/UL 1479 (ASTM –E814) and ULC/CAN S115-for membrane and penetration firestops.

F - Full glass with pull handle  
D - Horizontal duo panel with pull handle  
V - Vertical duo panel with pull handle  
G - Full glass with pull handle & Saf-T-Lok  
E - Horizontal duo panel with pull handle & Saf-T-Lok  
W - Vertical duo panel with pull handle & Saf-T-Lok

S21 - Solid with pull handle  
L22 - Solid with pull handle & Saf-T-Lok  
B - Solid with pull, small view window and Saf-T-Lok  
A - Center duo panel with pull and Saf-T-Lok
